

PHAKIMPILO PROGRAM

WE CARE ABOUT YOUR NEEDS

WHAT IS PHAKIMPILO?

Phakimpilo is a 4-month interim program that seeks to assist students with inadequate access to food due to financial constraints and Socioeconomic challenges faced by our society.

WHY IS PHAKIMPILO IMPORTANT?

Phakimpilo seeks to address challenges that might hinder the academic success of students. A lack of access to adequate food can have negative implications on students such as:

- Academic problems
- Cognitive decline such as poor concentration and memory loss
- Emotional problems such as Depression and anxiety
- Diet-related problems
- Maladaptive adjustment /criminal behavior
